HOME COLLECTION FALL WINTER 2023

*Yesterday is a treasure,
today is a gift*

15 years ago, Pip Studio was founded in Amsterdam by Catharina van der Endt who decided it was time to colour outside the lines. Today, Pip Studio has grown up, but kept her playful character. Pip Studio is a reflection of Catharina's positive personality and perspective on life. She is convinced that each moment of each day beholds the opportunity to share and celebrate life with the people we care for.

You could ignore those tiny chunks of gold by sticking to your daily routine. But Pip suggests doing the exact opposite. Chase them, embrace them and cherish them. From waking up in the morning in a beautifully messy bed, walking barefoot over fairy tale tiles to sipping coffee together from royal porcelain cups that are different in every way you look at it.

From teapot to wallpaper, from pillow to cookie jar: Pip brightens your day with a colourful mash-up of styles and stories. Pip is a true treasure hunter. A passionate collector of past prettiness and enthusiastic adopter of bright new technology, like digital textile printing or porcelain cutlery. Resulting in a growing number of collections of today's classics. Pip's products are crafted with eye for the tiniest details. Classic yet inventive, traditional yet original. They remind us to embrace our heritage and inspire us to celebrate life.

Enjoy our new collection!

PIP CHIQUE COLLECTION

The elegant Pip Chique collection is porcelain for true connoisseurs. The plates, cups and bowls are all made of New Bone China, a premium, thin porcelain of high quality with a delicate and sophisticated look and feel.

The sleek design and solid colour give this porcelain a modern charm, while the matt gold details, elegantly shaped spout, lid and handle gives this collection a classic twist. Pip Chique is available in two different colours: emerald green and fuchsia.

The Pip Chique Stripes collection is newly added these season. These stripes give just that unique twist to the Pip Chique collection and also combines perfectly with our other porcelain collections like Royal, Love Birds and Heritage.

You complete your Pip Chique Tableware collection with coordinating glassware and table textiles.

SEASONAL ROYAL WINTER WHITE COLLECTION

Create magical moments (throughout the holidays) with our magnificent Winter White collection.

This new Royal collection is designed to celebrate life. A Christmas or birthday dinner, moments you celebrate with your loved ones or perhaps you want to turn your breakfast into a special moment each morning. Specially designed for you and for all the special moments you want to hold onto.

A collection which is the response to a desire to create a high class and elegant tableware line in white and golden colours. All tableware items are made of the same delicate porcelain as the Royal and Royal White tableware and can also be endlessly combined with these two existing ranges.

To complete this Winter White feeling we also created beautiful vases and sophisticated decoration elements like a sparkling Christmas star, elegant ornaments all in white and golden colours. Create an extra warm and festive feeling in your home with this magical Winter White collection.

The Royal Winter White Collection is a seasonal collection and only available on subscription.

ROYAL COLLECTION

The Royal collection consists of Royal Stripes, Royal Multi, Royal White, and Royal Yerseke. All plates, cups and bowls in this collection have a delicate signature shape and are richly decorated with golden details. Besides tableware, the Royal collection also includes glassware, metal or wooden serving trays, candle holders and vases.

The Royal Stripes items give the Royal Multi and White collection an unexpected fresh twist with their easy to match dark pink and clean blue-white stripes.

The Royal Multi collection is inspired by historic tableware. We used bold vintage flowers and blue blossoms to decorate the colourful cups, plates and bowls.

The Royal White tableware has been designed with a nod to Pips Dutch origin. Crispy white items are decorated with hand painted Delft Blue flowers. Graphic golden curls and dots give the collection a modern twist.

And the Royal Yerseke collection also has its own character. Pips family is originally from Yerseke, a small fishing village at the Southwest Coast of the Netherlands. Her family is renowned for its mussels, oysters and lobsters, which are hand painted on the bowls and plates. The Royal Yerseke collection combines perfectly with our Royal White collection.

One of our most desirable and popular collections is the Winter Wonderland collection and after years of success we have something magical for you. We are bringing back all the prints and colours from the entire Winter Wonderland collection! This will be the last season for this collection so also your last chance to complete your own Winter Wonderland.

Did you know that our Winter Wonderland collection is inspired by all the treasures in the winter woods?

After a long and cold walk, Pip came home, full of excitement about the deer, doves and cute hares she had seen along the way. She had a basket filled with berries, acorns and seasonal flowers, which she used to decorate her kitchen table.

This winter walk became the inspiration for our cozy Winter Wonderland collection. With our beautifully decorated dinnerware, textile and baking dishes, your winter stews and pies will come out even more flavorful.

Our Winter Wonderland collection brings that warm and cozy feeling to your home. Dream away with Pip Studio's Winter Wonderland collection! The Winter Wonderland Collection is a seasonal collection and only available on subscription.

FLOWER FESTIVAL COLLECTION

Pip loves trips to the Far East. She gets inspired on every journey, looking at arts and crafts of the traditional Asian cultures. After her last trip to Japan, she created the Oriental Flower Festival collection. Japanese influences are mixed with the inspiration from her earlier journey through India.

The cups, but of course also our new sushi porcelain like the chuzaras, chopsticks and kozaras, have been decorated with floral ornaments, and in some items combined with refined Seigaiha wavelets print, which is typical Japanese.

On top, every piece is decorated with golden details, a real treasure on your table. But of course, not only for sushi or any other Asian delight: Your late-night snack, craps or cheese will look and taste marvelous on any Oriental Flower Festival piece as well!

For this collection we designed beautiful and luxurious giftboxes in the Oriental Flower Festival design. All sets are packed in these lovely boxes and ready to give as a present or a treat for yourself.

LOVE BIRDS COLLECTION

One of Pips favorites of all time!

The decorative medallion with the robins and other birds still take a central place in this collection. The medallion becomes a real centrepiece, because of the relief on which it is placed. Surprising is the combination of the curly golden decorative elements with the sleek design of both the shapes and stripes in combination of the pink-red colour.

All products in this collection share the same stylistic characteristics. The decoration around handles, ears and spouts gives this collection its own recognizable style. This season we are focusing on the all-time favourite colour; pink-red.

HERITAGE COLLECTION

Pip's mother is 'a chip of the old block' and Pip is 'like mother, like daughter'. Treasure hunting and cherishing these finds runs in the family. Every piece has its particular story. Therefore there are hardly any plates, mugs, bowls and cups identical in her mother's kitchen cupboard. This mixed crockery collection inspired Pip to have a deeper look into her parents' roots.

The Heritage collection pays homage to Pip's parents and to the colourful stories of their lives. In this collection their two worlds come together. Pip's mother grew up in Indonesia, where her father, thus Pip's grandpa, was the head of the local post office. The memories from those Indonesian years gave us lots of inspiration. You will find magnificent landscapes with palm trees, the exotic butterflies and the endless turquoise ocean.

Pip's father grew up in the Southwest coast of the Netherlands, also known as Zeeland. This is also the place where Pip's parents first met and fell in love. Typical for this region are the traditional costumes with their beautiful textiles with handcrafted details, such as the special golden brooch.

Up until today her dad loves taking the bike and going for his daily dip in the North Sea no matter the weather, summer and winter, "it keeps you healthy and strong" as he always says, while Pip's mother tirelessly works on her cross stitch and crafts at home. The longer you look at this carefully designed Heritage collection, the more stories you will discover and the more you learn about the heritage of Pip's family.

LA MAJORELLE COLLECTION

With the La Majorelle collection we give a tribute to the beautiful botanical gardens with its large diversity of colourful flowers and branches from all over the world.

It's a lively display of flowers playfully combined with a nod to the palm trees and majestic herons. The dots and stripes on the background give this design a surprising combination and a modern twist.

The La Majorelle tableware collection will be available in pretty pink and, because of the overwhelming success last spring, also in the beautiful shade of yellow.

The La Majorelle collection also includes glassware with a fairy tale golden landscape.

JOLIE COLLECTION

With the Jolie collection we take you on a trip to a treasure island, a truly happy place with all the unique tropical plants and flowers, palms and colourful fresh fruits. A rare white heron and other exotic species are surprisingly combined with lovely pressed flowers and golden dots for a festive vacation touch.

An unique layout of the placed decoration on the round pieces makes it an exciting view from every side. The Jolie is a complete collection including glassware with a stripe in a beautiful matching colour, lovely sets and table textiles; consisting of table cloths, tea towels and an apron.

We extended the Jolie collection with a sugar bowl, milk jug small and tray. Lovely what the Jolie collection has to offer again this season!

BLUSHING BIRDS COLLECTION

Influences from different cultures create exciting new contrasts and wonderful blends in this tableware collection. Colourful little birds and butterflies are elegantly placed between Eastern flowers, which Pip is known for.

All items have a subtle geometric print in the background. The plates and mugs are decorated with typical Asian ornaments.

*The beautiful Blushing Birds collection is still one of our favourites and consists of tableware, kitchen- and table textiles as well as home accessories.
Available in multiple colours; blue, white and khaki,
which can be easily combined.*
